

With many thanks to those who have inspired this booklet, in particular, Nicholas Arnold, and Kim McMillen who wrote the beautiful and haunting "When I loved myself enough..." and who is now an angel.

Divine Love

*The Perfect Gift from the Heavenly
Creator of All That Is*

*If you would have peace on this earth
In your life and around you,*

*Ask for His Divine Love
To fill the yearnings of your soul.*

*A comfort surrounds you, as the Comforter
Fills the soul, and displaces error*

*A warm glow emanates from the chest
As the warmth rises from His Love*

*Divine Love is never forced,
We free will creatures must ask,*

*And ask and ask, each time a drop
Of Divine Love will flow our way.*

To receive the Divine Love:

Find a quiet time

Make yourself comfortable

Quiet the mind, and focus on God

Ask from your heart to receive His Love

Feel it pour into you, and surround you

Enjoy the bliss and joy that it brings

Savour the moment.

Then give thanks for the Gift

Do it often, it gets better all the time

This is not a one-time event,

But the start of your path Home.

*Divine Love is free for all,
It matters not what belief you have.*

*The only requirement is fervent desire
To feel the Perfect Gift He has for us.*

*Most feel a warm glow in the chest,
But others feel warm all over.*

*We are each different in how we perceive,
But all of us need this Divine Love.*

*The Divine Love brings knowledge
And you will know many things*

*With a certainty you did not think possible,
In this temporary mortal realm of ours.*

*Day by day, as the Divine Love flows
Into your soul, you will change.*

*From a mere mortal, who falls and fails
Into a Divine angel, who never fails.*

*As the Divine Love opens up the soul
To communion with the Soul of God,*

*Truth will flow from the One Source
And error will be washed away.*

*The Divine Love is different to
The love that we were born with.*

*This Love is eternal, and changes even
The very soul that you were given.*

*The Divine Love's presence can be felt
As it pours into the soul*

*Clearing away error and sin,
Leaving you with an unmistakable joy*

*If you seek eternal life, in the arms of Love
It is the Divine Love that will guide you*

*Home, along many paths, but safely home
To the One who Loves you.*

*How can you receive this Love?
Just ask, and you will receive It*

*Ask quietly, from deep inside your heart
With all the sincerity you can muster*

*Drops of Divine love, slowly build
A lake of Love, and an Angel is born,*

*Where once was a lowly sinful man,
Wandering lost on the shores of Love.*

What if I don't feel the Divine Love?

*There is only one barrier to receiving Divine Love,
And that is mortal feelings of unworthiness*

*If deep down you don't feel worthy,
Pray to God for this to be resolved*

*But some folks don't feel the love
In quite the same way as others.*

*If you are down, God's Divine Love will lift
You right out of sadness so you can see*

*The clear blue sky and brightness of the day;
The clear call of the song birds, all in love.*

*Once embraced by the Divine Love,
You will feel its absence just as clearly.*

*You will want to go to a quiet place
To be enfolded in the arms of Love again.*

*The Divine Love has been around for ages,
Saint and mystic alike have found it.*

*Strangely few knew why or how they had it,
Or were able to tell us how to get It.*

*The Divine Love teaches us to love
Not only God, not only our dear ones,*

*But all of creation, just as God does
Just as Jesus did.*

*The Divine Love brings true Faith.
Not the old faith in things we can't grasp,*

*But the certain knowledge of God
And all the Truth He represents.*

*As the Divine Love becomes a part
of your daily way of living*

*You will find you are not who you were,
Instead you will act more fully in Love*

*The Divine Love is the power
That will transform our world of hatred*

*Into a world of love, of love for all,
And a real heaven on earth.*
